Subject: Happy New Year & two requests
Date: Thursday, January 08, 2015 12:40:48 PM

Task Force Members,

Happy New Year! This is a big year for us – the year that we see an end to Veteran homelessness in Los Angeles, and see through the vision that this group created back in 2010. As many of you reflected at our December dinner, this moment would truly not be possible without this group of leaders.

To that end, I have two requests:

1. As promised, January's meeting will be about honing in on our focus areas for the year.
Please complete this brief survey to share your thoughts on our priorities:

2. Please save the date for the press conference to launch this big year, which will now be **Thursday, January 29th at 8am at The Rosslyn in downtown.** Official invite is coming shortly, but please hold on your calendars. We have confirmed VA Secretary McDonald and several local elected leaders, so we're looking forward to a great event.

Thank you, and we'll see you next Thursday!

Christine
